### Family Tree

We`re grateful for our Family Tree,  
 where pure sweet love abounds.  
 Our roots are deeply planted in rich and fertile grounds.  
 We enjoy the rays of sunshine and endure the days of rain.  
 And when a leaf falls from our tree  
 together we share the pain.  
 God gave the gift of families to treasure, love and cherish,  
 and didn` t intend at our life`s end,  
 that family bonds should perish.  
 For, as in turn we cross the veil how great our joy will be  
 as we embrace ancestors there on Heaven`s family tree.
