## 6<sup>th</sup> – 14<sup>th</sup> August, 2016

**In the Gospel today:** Jesus teaches his disciples that real treasure is not about buying precious things but is about doing good things for others. He tells a story about two servants who are asked to do some jobs while their master is away. One servant works hard to get things done, but the other does nothing.

When the master comes back he rewards the good servant for his good work. Jesus asks his disciples to carry on his work of spreading God`s love and happiness to all people, even when he is not with them.
