It sets out to explore the beauty of sean nós voice, together with chamber choir and orchestra, classical solo voices, traditional and early music instruments. The blend of Irish and classical music reflects two great musical traditions in Ireland at the time of the Rising. The musical motifs are carried seamlessly from genre to genre. It is the first orchestral setting of a Dies Ires in the Irish language.

## Mission Sunday & Harvest Thanksgiving

The World Mission Sunday celebration highlights the outreach of local churches through priests, religious and laity among the poor and marginalized half a world away. Life-changing help is provided to mission churches in territories covering more than half the globe.

Your ongoing support of the Society for the Propagation of the Faith is vital to the missionaries serving in 1,111 dioceses throughout Asia, Africa, parts of Latin America and Europe, and on the Islands of the Pacific. Your generosity makes it possible for local priests, religious, and catechists to reach out to communities, families and children in desperate need, bringing the light of Christ to the darkest of circumstances.
