New Year's Prayer

Thank you Lord for giving me the brand new year ahead
Help me live the way I should as each new day I tread.
Give me gentle wisdom that I might help a friend
Give me strength and courage so a shoulder I might lend.
The year ahead is empty help me fill it with good things
Each new day filled with joy and the happiness it brings.
Please give the leaders of our world a courage born of peace
That they might lead us gently and all the fighting cease.
Please give to all upon this earth a heart that's filled with love
A gentle happy way to live with Your blessings from above.
