## Follow Jesus

In today's Gospel reading, Jesus asks some people to leave everything behind and follow Him. God is actually asking all of us to follow Him! Does that mean that we have to start wandering from town to town preaching? No! It means that we should try to become holy like Jesus.

God calls everyone to be holy. Some people become holy as priests or religious sisters or brothers, but those are not the only ways to become holy. Kids, married people and single people can all live out God's plan for holiness by doing His will every day.

You might think at first that being holy sounds boring, but it's not! Holiness means being like God. It means using the gifts God gave you to do good things. It means doing the right thing at the right time, and sometimes that means being a hero. That's definitely not boring!
