In remembrance of all the people, past and present, at home or abroad, from the village of Skevard, Ballindine celebrating 100 years of the first settlers to that area:

Family Ties are special things,
woven through the years
Of memories, of togetherness,
of laughter, love and tears.

Family ties are cherished things,
forged in childhood days,
By love of parents, deep and true
by tradition, by family ways.

Family ties are treasured things
and far though we may roam,
The tender bonds with those we love
still pull our hearts towards home.

'Making Sense of Life's Journey' - Fri 25- Sun 27 Sept.

"Life is a journey, not a destination." This quotation from Ralph Emerson suggests that the journey of life is as important as the destination. This weekend will offer a map of the journey of life. It will outline the stages we go through on life's journey and explore the questions we need to answer at each stage. The aim of the weekend is to help you identify where you are at on your journey. This will help to give a new sense of meaning and direction to your life. Directed by Philip McParland, Carmelite priest, the topics will include:

- The two halves of life
- The mid life transition
- The questions to be answered at each stage of life
- The tasks to be fulfilled at each stage of life
- The three stages of faith development

I am
the Bread
of Life
John 6:35

In the Gospel today Jesus was talking to his friends. He told them that he is the living bread that has come down from heaven and that his body is real food. Jesus friends started arguing because they did not understand what he meant. Jesus told them that if they eat this living bread they will enjoy life with God forever.
