In the Gospel today Jesus speaks to a crowd of people who have come to listen to him. He is teaching them about happiness. Jesus says the way to be really happy is to think about what you can do to help other people and to make them happy.

Towards Peace is a service offering spiritual support to those who have experienced abuse perpetrated by Church personnel, individually or institutionally. The vision of **Towards Peace** is to provide a safe supportive space for people and their families, whose spiritual life has been damaged by abuse. It is also a response to the continually growing understanding of the spiritual impact of the trauma of abuse. **Towards Peace** provides spiritual support through one-to-one spiritual direction sessions, with a qualified spiritual companion. *If you have been abused and would like a space to reflect on the impact of the trauma of abuse on your own relationship with God and spirituality, **Towards Peace** is here for you.*
