\* 12pm Seminar: 19th Century Mayo – Place, people and the Knock Apparition. Nollaig O Muraile & Tom Neary. For the 140<sup>th</sup> anniversary of the Knock Apparition, Knock Museum unveils a unique and historic model of Knock Village as it was in 1879. The village recreation is filled with wonderful miniature details of the Old Church, the houses the Witnesses lived in, schools, people, animals, roads, pathways and farmland. It offers a fascinating insight into village life in Knock and into the historical and social context of the Knock Apparition.

\* The Unveiling of the New Processional Statue of Our Lady of Knock which has been carved by Stuflesser Ortesei in Italy will take place at **3pm Mass.**

\* Witnesses' Walk – Meeting heaven at harvest time' – celebration and commemoration of the Apparition witnesses at 7pm. Follow in the footsteps of each of the Apparition witnesses as they made their way to the gable of the Parish Church on that wet August evening back in 1879.
