Day for Life

Day for Life is celebrated annually by the Catholic Church in Ireland, Scotland, England and Wales. It is a day dedicated to raising awareness of the meaning and value of human life at every stage and in every condition. This year's *Day for Life* will focus on the theme: *'The Scourge of Domestic Abuse'*.

Day for Life Prayer

Holy Mary, Mother of Love,
holding in your arms, the fruit of your womb,
graciously look upon our earth and remove from it
all that hardens our hearts and dims our eyes
to the preciousness of human life,
from the moment of conception to natural death.
Through the example of your tenderness
teach us the ways of compassion and love
that we may build up the civilisation of love among us
and a society that is truly worthy of the human person.
Help us to reject all that contributes to a culture of death,
and to work with others of goodwill
in promoting the culture of life.
Bring us ever closer to your Son,
so that we may know the fullness of life
that he offers us and come to know
that life more perfectly,
with you, and all the angels and saints,
in the eternal life of Heaven. Amen

To all who donated and purchased produce and to all involved in the special liturgy, a very big thank you. **The total contribution of €1,710 was divided equally between The Motor Neurone Assoc. and Kilvine Defibrillators.**

Harvest Prayer

Lord, you send rain to fall and the sun to shine on all alike, for you love us all.

Yet we are constantly reminded of so many places in the world where war prevails and harvests fail and of the many who suffer hardship, and your wish that we would share with those in need. Lord, faced with so many urgent appeals help us not to lose heart in doing something to help others, especially the needy in our world, so that the good we do and try to do might be a harvest pleasing to you. Amen.
