Davitts GAA will be celebrating the club's 50th Anniversary on the August Bank Holiday weekend (Aug 2nd-4th). A number of events are being organised to mark this historic milestone for the club. This will be a nostalgic and fun weekend for the whole community and we are hoping to see faces that have been involved in the club over the past fifty years (former players, volunteers and supporters) return from all parts of the country and abroad to join in the celebrations. Spread the word.

Providing Compassionate Care at the End of Life

To address the sensitive issue of compassionate care at the end of life, and in response to the need to inform the faithful of Catholic teaching on this important life issue that affects so many families, the Bishops of Ireland have published the pastoral letter: *Freedom to Live Fully, Until Death Comes*. You are invited to read this letter and view the accompanying video *Through the Valley*, which offers personal testimonies by carers and people with terminal illness. The key message of both letter and video asserts that every person possesses inherent, infinite dignity that remains intact regardless of their circumstances. In this context, bishops strongly oppose the Oireachtas Committee's proposal to Government to legislate for assisted suicide, and call on support for healthcare workers who uphold the sanctity of life.
